# السلام عَلَيْكُمْ وَرَحْمَةُ اللَّهِ وَبَرَكَاتُهُ

# WELCOME

It is the ISoc Team's pleasure to welcome you to the University of Southampton. Congratulations on making it thus far!

Starting university can be a daunting time for many of us, which is why the ISoc Team is present to help and support you throughout your time here at Southampton. **This booklet aims to ease your journey into university life, by providing essential and useful information that any Muslim living in Southampton will need.**

We can't wait to see all the new faces, and also those of you returning. With an incredibly busy year ahead-- *with a diverse range of social events, Islamic talks & classes, sports, and charity campaigns*-- we hope that everyone takes the opportunity to make friends, while developing in your deen.

The ISoc committee

## WHAT IS THE ISOC?

The University of Southampton Islamic Society (ISoc) is a student-run society. Our objective is to provide you with a welcoming environment, regardless of your religious progress, background or age, in light of the Deen.

We want you to not only make friends for life, but friends who will pull you towards Jannah whilst also making amazing University memories.

## WHERE CAN YOU FIND US?

# THE PRAYER ROOM

The Prayer Room can be found behind the Student Union building (Building 40). It is our hub and is **the heart of the ISoc**.

Within, you'll find designated sections for brothers and sisters, each with its own wudhu area.

The prayer room, is firstly, a room for prayer. Open 24/7, it's always there for you when you need to pray. **Congregational prayers** are held here as well. The prayer room is accessible with your student ID card.

For details regarding **prayer times**, see the latest prayer timetable...

- on our website, OR
- on our WhatsApp groupchats, OR
- the physically printed copy in the prayer room.

The prayer room is also where you can meet like-minded Muslim brothers and sisters, and form lifelong friendships. Here, we hold our **tarbiyah classes and qiyaam during Ramadan**.

There are also numerous Islamic education books for you to read and enjoy.

# ISOC SOCIALS

The ISoc endeavours to host as many socials as possible throughout the year and also provide a **variety of events**.

We know that being a Muslim student in the UK may be daunting at first, and it may seem challenging to find events/activities where you can **get involved without compromising your deen**.

The ISoc believes that in addition to our faith, it's the **sense of community** we have and the life-long friendships we see formed year after year which makes your time with the Islamic society very special-- it is your home away from home. It is of utmost importance to us that we nurture these relationships and see them grow, hence our commitment to running **regular socials all year for brothers and for sisters**.

We love running these more laid back socials as this is where peoples' personalities really shine through, making them the perfect opportunity to get to know each other! We also love to **get out and get involved in more hands-on activities**. In the past, these have included bowling, ice skating, archery, trampolining, an on-campus treasure hunt and much more.

Keep an eye on our social media and WhatsApp groupchats for all the latest ISOC socials events!

# ISOC SPORTS

The University offers different types of memberships for access to its facilities, including the "**Sports and Wellbeing**" membership. It essentially entitles you to use the gym on campus, other gyms which are a part of the university, along with the sports grounds, courts and swimming pool. For those with the membership, the **ISoc can offer more flexibility in what sports we offer**, i.e. we may occasionally hold indoor cricket matches or badminton.

Whether you're an avid sports enthusiast or simply looking to engage in physical activities, the ISoc provides an inclusive **sports programme**.

# ISOC CAMPAIGNS CHARITY WEEK

This is an annual student-led global initiative by Islamic Relief which takes place in October; we aim to **raise as much money as possible over this week for orphans and children in need in different countries worldwide**. 100% of the proceeds goes to a variety of different projects, for example in Mali, Syria, India, Afghanistan, Pakistan, Somalia and South Africa.

In essence, the aim of charity week is unity! It's all about putting our differences aside and working together to truly make an impact, and to change people's lives for the better. It all comes down to the sense of unity and the community it allows us to build.

Alhamdulillah we previously raised just over £3,000! However it is not about the amount of money raised, but rather whether our good deeds are accepted.

## EVENTS WE RAN LAST YEAR INCLUDED:

**Socials:** Treasure hunt, quiz night, games and culture night, FIFA tournament, bake offs

**Sports:** Brothers' inter-ISoc football tournament

**Stalls:** Plant sale, as well as thobe and abaya sales

Every year, **Charity Week has a theme** to inspire our events. Keep an eye out, as we'll be releasing more information in due time.

# ISOC CAMPAIGNS DISCOVER ISLAM WEEK

We close off the year with Discover Islam Week, our final big initiative (aside from Ramadan). A week where we invite prominent speakers to give lunchtime and evening talks on Islam, creating awareness and tackling misconceptions. We invite speakers for general talks outside of the campaign too (See list below!).

During the week, we have various stalls set up at the SUSU Redbrick area, ranging from a "try on a hijab" stall to da'wah tables. Our aim with Discover Islam Week is to **create awareness of the beautiful religion of Islam around campus** and to attract and educate both a Muslim and non-Muslim crowd!

### PREVIOUS SPEAKERS AND TALK TOPICS:

- **Ustadh Mahamed Abdurrazzaq** | Pursuit of Happiness
- **Sheikh Abu Suhaib** | Fiqh of fasting
- **Revert Panel** | Journey to Islam

# RAMADAN AND EID

## RAMADAN

Every Ramadan, whether it falls in the exam season or in the holidays, ISoc hosts **daily free iftar for our brothers and sisters in the local community**. These iftars are the backbone of our ISoc community, providing a space for everyone to come together and share a meal each night.

Thanks to the generous donations we receive, we are able to host these iftars free of charge, welcoming up to 200 brothers and sisters each day/night.

Moreover, we host our own **taraweeh prayers** daily and have recently begun hosting **Qiyam al Layl (Tahajjud prayer)** every night, for the last 10 nights of the Holy month. We also provide **suhoor** for those who attend.

## EID

During Eid, ISoc has a **celebration on campus** where we welcome everyone; whether you're a local, student or just know someone there.

For both Eid-ul Fitr and Eid-ul Adha, we organise **Eid congregational prayer**, which usually takes place either in Garden Court or on the grass area outside.

Alhamdulillah, we've hosted more than 1000 people at our celebrations, and were able to provide giftbags for 200 of the children who attended. In addition to that which the ISoc provided, people brought their cultural foods, so that we could all share in each others' cultures.

# THE TARBIYAH PROGRAMME

The ISoc has a variety of classes, such as;

- **Qur'an Classes**  
Open to all levels; complete beginners, Tajweed & Hifdh
- **Arabic Classes:**  
Open to all levels; complete beginners up to advanced
- **Hadith Reminders:**  
A hadith from Riyadh As-Saliheen is read after certain salahs.
- **Sister's Halaqahs** on Aqidah and Fiqh issues
- **Regular talks** on Fiqh and practical tips

These classes will all be held **in person** where possible, and some will also be **accessible online**.
